

Apollo Emergency 150W Lowbay 6000K

113563

NEW

113563

The Apollo low-bay light from Saxby Lighting is designed to meet the demands of modern commercial spaces with unmatched efficiency and adaptability. Available in both 100W and 150W options, Apollo delivers up to an impressive 21,000 lumens at 140 lumens per watt, ensuring bright and energy-efficient illumination. Its suspension kit allows for adjustable height, making it a perfect fit for various ceiling heights and configurations. For added safety and convenience, emergency versions are available, and a microwave sensor accessory can be integrated to enhance functionality across all commercial applications. Matt white

Constructed from iron & polycarbonate
