

## REEVE CONNECT

The Reeve Connect is a range of self contained, budget, LED batten. These anti-corrosive fittings are IP65 rated and benefit from the ability to be linked together. Between 8 and 15 can be joined together depending on the size. These fittings are ideal to be used where space for power feeds are scarce.

IP65  
RATED

- Opal & gloss white polycarbonate finish
- LED module (SMD)

## REEVE 2

A direct LED replacement for twin 35W T5 fittings, this self contained anti corrosive LED batten has sealed end caps, ensuring its IP65 rating. The Reeve 2 benefits from an easy and quick installation with the use of the supplied stainless steel suspension clips to aid with wiring. Plus can be wired from a central wiring point due to the groove along the back of the fitting to hide the cable for a clean finish.
