

ORBITALPRO

Using the latest in Colour Changing Technology (CCT), each OrbitalPRO can be warm white or cool white with a simple flick of a switch. The two sets of SMD LED modules project 450 - 990 lumens of indirect LED light from the unique anti-glare dome. The slim line, patented design is fire rated, IP65 rated and can be covered with insulation, whilst fitting into shallow ceiling voids. Supplied with a dimmable Eaglerise driver that works with leading and trailing edge dimmers. Fitted with a 4-way tool-less push fit terminal block for ease of install. Comes in a Matt white finish.

ORBITAL SMART

The Orbital Smart boasts two sets of SMD LED modules project 450 lumens of indirect LED light from the unique anti-glare dome. The slim line, patented design is fire rated, IP65 rated and can be covered with insulation, whilst fitting into shallow ceiling voids. Fitted with a push fit tool-less terminal block and male/female connector for ease of install. This smart fitting can all be controlled via the SaxbySmart app or using voice activation via Amazon Alexa or Google Home, allowing you ultimate control, whether it's changing colour temperature, dimming or switching on and off.
